- NortonLifeLock Invoice Submission Requirements

### NortonLifeLock Invoice Submission Requirements

When supplying goods or services to NortonLifeLock, do so only upon receipt of an official NortonLifeLock Purchase Order (PO). If you supply goods or services without an official NortonLifeLock PO, you do so at the risk of invoice rejection or non-payment unless alternative arrangements have been made with NortonLifeLock's Global Procurement Organization. **Submit invoices to the bill-to information listed on the purchase order.**

To ensure timely payment of invoices, follow the below guidelines:
